6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Institute plans and implements curricular, co-curricular and extra-curricular activities according to the vision, mission of the Institute. The Governing Councils also focuses on vision and mission of the Institute while making decisions and implementing them in the Institute. Accordingly, the Governing Council elect members of executive council which has all rights to make significant decision related to infrastructural development, finance, recruitment, promotions of employees, welfare schemes for teaching and non-teaching staff.

• Vision Statement

- The Institute has a vision to “**Empower masses of area with the power of knowledge**” the rural area lags behind in the development because of lack of knowledge to overcome this obstacle, we try to light the lamp of knowledge in society. We bring the students from all level of society to empower them with the power of knowledge.

• Mission Statement

- “**The mission of the Institute is to bring the rural students into the main stream of higher education and make them competent in the age of globalization with scientific temperament.**” We work on the holistic development of students. Our students belong to rural background some of them are first graduate in their family.
- The Governing Council elect members of executive council which has all rights to make significant decision related to infrastructural development, finance, recruitment, promotions of employees, welfare schemes for teaching and non-teaching staff.
- The chairperson of the Institute Ex. MLA Prof. Kishor Patil is always supporting and encouraging one, he always encourage to make decision in the interest of students and the Institute.
- The Institute has formed College Development Committee as per the Maharashtra University Law (2016) it consists of members from trust, Principal, teacher’s representative, non-teaching representative’s industrialist, society members, parent representative, student’s representatives etc. It took important decisions related to the Institute activities’ planning and execution.
- Head of the Institute of our Institute an academic leader of our Institute, she leads Heads of Departments, faculty members and a student representative. She encourages all for research, curriculum, and co-curriculum activities of the institute.
