**Annual Report of Institute 2023-24**

The Academic year of the institute starts with well-planned actions, the Academic Planning Committee has planned institute activities as per the Academic Calender of parents University. The Principal took time to time review of activities. In this year 3 certificate courses were conducted. 100 students benefited from these courses. Faculty members used ICT based teaching and other teaching methods. Course Outcomes, Programme Outcomes and Specific Course Outcomes are delivered to students. The attainments of students are checked, mentor mentees are allotted. The faculty members organized workshops and seminars for students and faculty members. The institute organized cultural and sports events for all round development of students. The faculty members published research papers in UGC care listed journals. The institute has 15 Ph. D holder faculty members. The institute conducted social outreach programmes and entered in MoU with other institute. The Institute has well equipped library and laboratories for the students. The Competitive Examination Cell conducts programmes for students. The Institute has participatory management faculty members and students are members of decision making bodies. The Faculty members attended professional development programmes to updates themselves. The IQAC has taken 4 meeting and the institute faced NAAC peer team for 2<sup>nd</sup> cycle and obtained 'B' grade.

The institute not only thinks and work for itself but also it works for society like organizing Blood Donation Camp, Nirmalya Sankalana (Collection of Offerings to Lord Ganesha), Voter Awareness programme, AIDS Awareness Programme and Anti Superstition Drive etc.
